CONNECT

Connecting Women's Careers
in Academia and Industry

*"A lot of myths about the industry
were dispelled."*

Aim:

- Links academia with industry and public sector in a unique way
- Provides insights into non-academic career paths
- Lets you interact with inspiring role models
- Motivates you to reflect on your career
- Provides advice on and behind-the-scenes insight into application process
- Offers a supportive and encouraging network of women in the same situation as you

BAIN
& COMPANY

«Actually having access to those working in industry and being able to ask them questions, allowing for better understanding of the types of positions, work, benefits, and detriments of working in industry.»

CONNECT – Program Structure

- **CV-preparation** (online tutorial)
- **Kick-off Workshop**
 - Reflecting current situation and career options
 - Communicating skills & experience
- **Meeting role models at partner sites**
 - Hear inspiring career stories
 - Interact with HR professionals and get insights into recruiting process
 - See site and feel company culture
- **Closing event**
 - Reflect on CONNECT journey
 - More inspiration
 - First success stories
- Be part of a **supportive & encouraging network**

CONNECT – Next Steps

- **Interested in a non-academic career?**
- Apply until **June 14th**
 - Online form
 - CV (max. 2 pages)
 - Motivation letter (max. 1 page)
- Review and selection by neutral committee:
Evaluation criteria are mainly motivation, expectations and interest in the program
- mid-July: Participants are informed about results of selection process
- Sept 2024 - Mar 2025: CONNECT Round 6

CONNECT – Overview

Target audience	Female PhD students in 3 rd or 4 th year, female postdoc candidates
For participants from which Institution	ETH Domain (ETHZ, EPFL, PSI, Eawag, Empa, WSL), University of Zurich, and NCCR PlanetS)
Offerings	A series 7-8 one-day workshops, focusing on career development/planning, CV preparation; career opportunities, meeting/exchange with role models at company sites, between Sept 2024 and Mar 2025
Costs	CHF 450, plus CHF 750 covered by your institution
Deadlines	Call 6 open until June 14th , start in September 2024 Apply on: Application (connect-women.ch)
Special conditions	Employment contract during time span of the program with one of the academic institutions.

«The networking aspects both between the participants as well as between the role-models from the companies are excellent. Furthermore the general structure of first having a coaching session, then visiting the companies and finishing with all together is a nice and round concept.»

- **Closing event** with the feminno community. Presentations, Networking, Celebration: Early March 2025
- **Application window opens in early June 2024** – see here: <https://blogs.ethz.ch/feminno/application/>

Zurich-Basel Plant Science Center

Zurich-Basel Plant Science Center

This program **IS** for you

- You are a female PhD student (best in years 3-5), postdoc, researcher, lecturer, alumna in life science, natural sciences, tech, IT, social sciences (and related fields in health, medicine, ecology etc.) enrolled in a Swiss university or university of applied sciences
- You have an idea for a start-up, spin-off or industry collaboration that you want to bring forward.
- You want to commit to 10 days of workshop and lectures (*mainly in person and some virtually*) and many hours of self-study in roughly half a year.

This program **IS NOT** for you

- You are not a female PhD student (best in years 3-5), postdoc, researcher, lecturer, alumna in life science, natural sciences, tech, IT, social sciences (and related fields in health, medicine, ecology etc.) enrolled in a Swiss university or university of applied sciences
- You have no start-up idea and you do not want to become an entrepreneur at all
- You definitively want to go into industry and only need a little support in learning how to apply for such a position.
- You may have already participated (recently) in other similar programs.
