**UNTERSTÜTZUNGSAUFGABEN PRIORITÄTEN SETZEN**

Lösen Sie eine der beiden Aufgaben – oder erfinden Sie eine eigene, die nützlich ist.

**Die beste Methode, Prioritäten zu setzen**

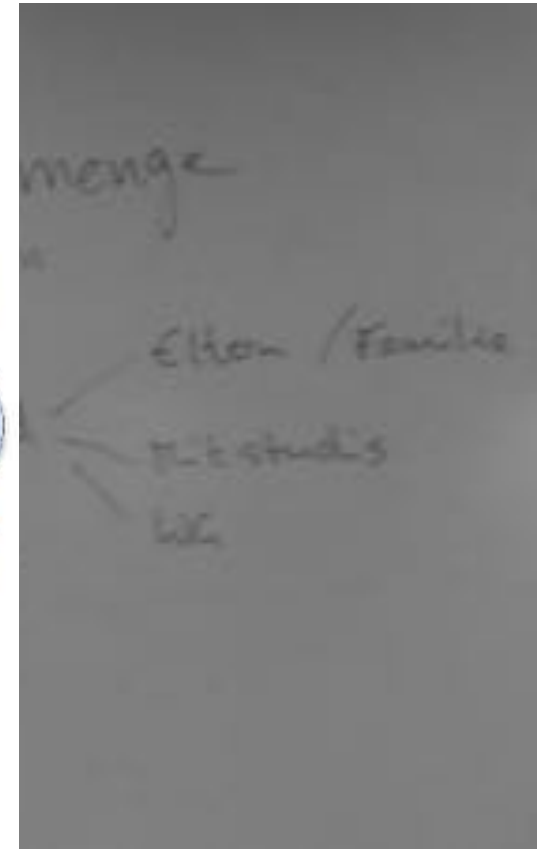

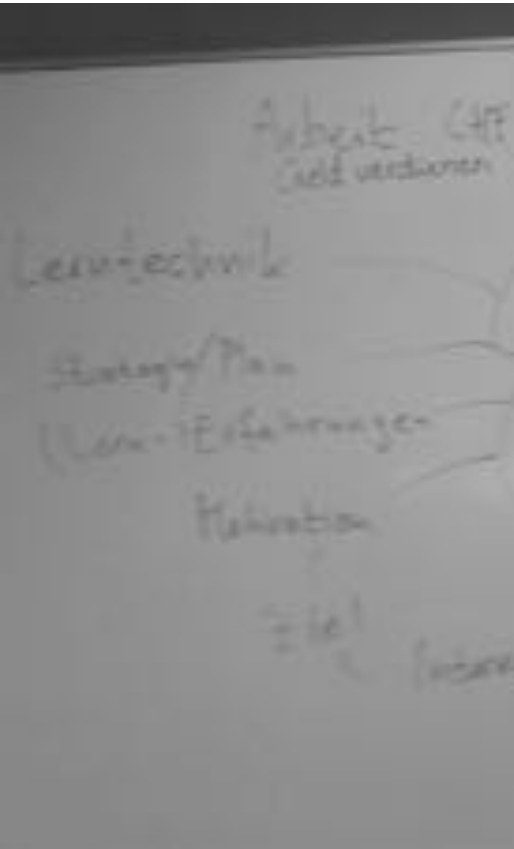

Holen Sie sich Expertenwissen. Fragen Sie drei Personen unterschiedlichen Alters darüber aus, wie sie Prioritäten setzen. Notieren Sie hier die beste Methode.

**So setze ich Prioritäten im täglichen Leben**

Beobachten Sie sich eine Woche lang. Wie setzen Sie Prioritäten im täglichen Leben? (Z.B. beim Einkauf, vor dem Klausurschrank, in der Freizeit ...)  
Notieren Sie Ihre Erkenntnisse.

will you do  
differently?**

**how will I (from  
outside) notice,  
that today made a  
difference to  
you?**

# Student Project House

Creating Space for interdisciplinary student projects

# The Student Project House – Mission Statement

## **Foster independent personalities**

- The SPH gives the student an opportunity to develop skills such as self-initiative, critical thinking, responsibility of own action.

## **Serve as a cradle for new solutions**

- Support the development of new ideas with applications in research, entrepreneurship and societal change through new ways of sourcing projects and embracing interdisciplinary work.

# Competence-based examinations, December 6<sup>th</sup>, 12:15-13:15, HG E41

Event series hosted by Educational Development and Technology (EDT) at ETH

HOME 2016 - DATES & TOPICS 2015 - DATES & TOPICS NEWS

## Competence-based examinations

Date and time: December 06, 12:15 - 13:15

Location: ETH Zentrum, HG E 41

### Competence-based examinations - Designing meaningful and motivating examinations

Increasingly faculty are turning their attention to Competence-based examining as an effective way to ensure that the knowledge students learn is transferred into actual skills. This Refresh Teaching event will focus on showing the benefits of competence-based exams as well as providing guidance on how teaching staff at ETHZ can work towards a competence-based approach in their own exams and assessments.
